🪪 ABOUT ME

I am an experienced front-end developer using React framework, with over 2 years of experience in my own projects such as e-commerce websites and other sites. I believe I can make a significant contribution to your company, and I welcome the opportunity to meet you in person to discuss the benefits.

🎓 EDUCATION

I got my bachelor's degree from the Faculty of Computer Science and Artificial Intelligence, Helwan University, with a very good overall grade.   08/2018 – 06/2022

📁 PROJECTS

MAKTABTY 🔗
You can search for the book you want, borrow books, buy them, have them delivered to your home, and pay online. You can also create a new account for us to get the latest offers and discounts.
- NextJs

GitHub 🔗
